ORGANIZATION SUMMARY

Our mission is to prepare Los Angeles students for success in college, career, and life. Working through a network of high-performing, community-based schools and a portfolio of programs that reach students throughout LA County, the LA Promise Fund creates vibrant community hubs and partnerships that foster motivated, engaged, and directed students poised for academic, professional, and personal success.

The Los Angeles Promise Fund is a unique hybrid, operating programs in partnership with Los Angeles Unified School District at two traditional, comprehensive high schools and a middle school, as well as operating two charter schools in South LA. Further amplifying its impact, the LA Promise Fund runs high profile, far-reaching programs and engagement opportunities available to students and teachers across Los Angeles County. This structure allows for both high touch, intensive supports on school sites, inside and outside of the traditional district system, while also serving students through high profile, innovative programs that are available to students countywide
