

Marketing and Development Intern

ORGANIZATION SUMMARY

LA Promise Fund is a nonprofit organization dedicated to preparing Los Angeles students for success in college, career, and life. Working through a network of high-performing, community-based schools and a portfolio of programs that reach students throughout the County, the Fund creates vibrant community hubs and partnerships that foster motivated, engaged, and directed students poised for academic, professional, and personal success.

LA Promise Fund Neighborhood is an enrollment zone that includes two large South LA high schools (Manual Arts and West Adams Prep) and one middle school (John Muir) operated by LA Promise Fund in a first-of-its-kind performance contract with the Los Angeles Unified School District. Within this zone, LA Promise Fund transforms chronically failing public schools, opens new schools and remakes schools into community hubs that offer comprehensive support services for students and families. In Spring 2016, LA Promise Fund was approved to grow its network of feeder schools in South Los Angeles via the charter school model. By doing this, LA Promise Fund will prepare every child in LA Promise Fund Neighborhood to be college and career-ready, healthy and successful in life.
