

SCHOOL PSYCHOLOGIST INTERN

ORGANIZATION SUMMARY

For more than two decades, LA Promise Fund has uplifted schools, students and families in South LA to ensure more Black and Latinx students are prepared for success in college, career, and life. Today, we accomplish this goal as an education management organization that runs two South LA charter schools and coordinates high impact educational enrichment programming to ensure students are college and career bound. Russell Westbrook Why Not? Middle and High Schools advance a college-prep culture and integrated digital media arts-themed education, with significant parent engagement, socio-emotional supports, and leadership development.

Simultaneously, LA Promise Fund works with schools County-wide to offer a portfolio of programs that foster motivated, engaged, and directed students poised for academic, professional, and personal success. Currently, these regional programs include a focus on female empowerment, STEM, media arts, college readiness, career exposure and work-based-learning, school improvement design, and parent engagement. We work alongside a network of essential partners, students, parents, teachers, and school leaders to build strong schools that increase educational equity within South LA and beyond.
